Dear Danielle Duperre

I Troy Chapman wanted to apologize to you Danielle Duperre for the manner in which I spoke to you on October 2/2013.

On October 2/2013, you Danielle Duperre had called 911, due to a bonfire you felt was not controlled. I Troy Chapman, the volunteer Fire Chief for the Village of Manor, had arrived at the place of residence, where the bonfire was taking place and reacted inappropriately towards you Danielle Duperre. I spoke without thinking and didn't take your feelings into consideration. There's no arguing that what I said was inappropriate and I wanted to make sure you recognize that. I can only imagine how deeply upsetting the situation was, I deeply regret the harsh comments that were said and hope you accept this written letter of apology.

Kind Regards,  
Troy Chapman
